The PR Hospice Society

We are a registered charity that provides end-of-life and bereavement support to those in the Powell River Regional District, including Tla'Amin First Nation and Texada Island.

Our Vision

Compassionate and quality end-of-life care for all. To create a community that honours the journey towards end of life.

Our Mission

To companion those facing end of life in hospital, long-term care facilities or at home and with those who are grieving the loss of a loved one, through social, emotional and spiritual care.

To provide community education and advocacy to promote and enhance quality of life and death for all citizens.

Our Values

We consider death a natural and meaningful part of life's journey. We value respect, compassion, empathy, equity, caring, healing, open communication, collaboration, accountability, creativity and honour in all that we do.

Thank You!
